

MHM-DISTROBOX 2-W

63A 3ph (400V) site electrical distribution box to suit a 30–50kVA generator

Suitable for **30–50kVA** generators

When looking for a robust, reliable, good quality generator distribution box, look no further than our MHM Distrobox 2-W.

Features

- Simple plug & play connectivity
- Heavy duty, hard and durable IP rated thermoplastic polyurethane box
- Carry handles, interlockable and stackable design
- Full protection on the inlet and all outlet sockets
- Neon light power indicators on all inlets and outlets

Benefits

- Easy to manage for most site cabin set up applications
- Shock, weather proof, lightweight and long lasting
- Perfect for safe transportation and storage
- Reduces risk of overloading or overheating and ensures safe operation
- For quick, simple and easy trouble-shooting on site
